PP521ES 961880006	PR521ES 961840001	PR621 961880001
PR621 961820003	PR621ES 961880002	PR621ES 961820004
PR100 961820015	PR111 961820016	

Affected serial number(s):

All single stage snow throwers from 2010MY – 2015MY

Description

For the affected models listed above, the engine emission warranty statement was not delivered as required per EPA 1060.120.

The emissions manual is now available on the dealer portal power.husqvarnagroup.com. To find the statement please utilize the search box, select service documents and search on the product or model number. The emissions warranty is contained in the OM - engine manual.

Action

Normal emissions warranty applies.

Customer Reimbursement

Should a consumer have paid for any emissions related repairs or components during the warranty period, they are entitled to full reimbursement. You should file a claim and reimburse the customer.

The Service Bulletin number should be placed in the authorization number field.
